

# **ARLINGTON TOWNSHIP**

## **AGGREGATE MINING ORDINANCE NON-EXCLUSIVE LIST OF DISCUSSION POINTS**

1. What standard should be applied to determine whether the requested mining is needed?
2. What should an applicant be required to do to show the need for the mining that is requested.
3. If a showing of need is established, the applicant may apply for a Special Use Permit for the mining operation if certain requirements are met, including the payment of all fees set by the Township. What are appropriate requirements, and what fees should be required?
4. What requirements should be included in an application for a mining permit?
5. What should the applicant be required to show that the mining operation will not create “very serious consequences”.
6. What should be required for a reclamation plan for the reclamation of the property.
7. Penalties for the violation of the Ordinance are described.
