**Please note the changes to the USPS postmark rules and the potential effect on processing property taxes, ballots and other form deadlines.**

For property taxes you can drop off in person or place in the black metal box to the right of the front doors of the Arlington Township Offices. The treasurer will honor a March 2, 2026 postmark. A postmark on or after March 3, 2026 will be delinquent and will need to be paid through the Van Buren County Treasurers office.

*The USPS changed postmark rules in late 2025, meaning the date stamped on mail now reflects when it's first processed at a regional facility, not when you dropped it off, creating potential delays of a day or more for tax forms, ballots, and other deadlines. To ensure your mail is postmarked on the date you mail it, take it inside a post office and request a manual postmark, use Certified Mail, or mail time-sensitive items several days before the deadline.*

***Key Changes Explained***

- ***Processing Date:*** The postmark reflects the date of the first automated sorting operation at a regional hub, **not the drop-off date.**
- ***Delays:*** Mail might sit at a local post office before being sent to a regional center, delaying the postmark date.
- ***Impact:*** This affects "timely mailed" deadlines for taxes (IRS), legal documents, and mail-in ballots, potentially making them late.

***How to Ensure Your Mail's Date***

- ***Go Inside:*** Take your item to the counter and ask for a manual postmark on the date you mail it.
- ***Use Certified/Registered Mail:*** These services provide proof of mailing on the date of acceptance.
- ***Mail Early:*** Send time-sensitive items several days before the deadline to account for processing delays.

***Why This Happened***

- *These changes are part of the USPS's "Delivering for America" plan to streamline operations and cut costs by consolidating processing centers.*

**Per the Van Buren County Treasurer: Impact on the Delinquent Tax Collection of 2025 Taxes**

**March 2 and Prior Postmark:** My office will honor postmarks per MCL 211.44b.

**Missing Postmark:** Will be processed as a delinquent payment with interest and administration fees applied. Taxpayer must provide certified mail receipt as proof if disputing delinquent fees.

**March 3 and Later Postmark:** Delinquent interest and fees apply. There is no remedy to remove or appeal.
